

SOUTH CAMPUS

INDUSTRY MEET-UPS

Lunch & Learn: Industry Meet-Up Groups for South Campus

Date Thursday, April 20

Time 12-1:30pm

Location Career Center
2nd Fl. Rm. 200

Join us for the official **LAUNCHING** of our Industry Meet-Up Series for South Campus majors. Please be sure to register through BruinView™ at career.ucla.edu/BV.

The purpose of these monthly peer group meet-ups is to give students an opportunity to learn about an industry of interest while building knowledge and career skills that will open access to future career opportunities.

UCLA students attending these meetups will gain knowledge and learn skills to effectively :

- Research the industry of interest to learn about current trends
- Identify accomplished professionals to meet with and conduct informational interviews
- Learn how to find internships/jobs in the industry of your choice
- Share knowledge that you have acquired (job search/clinical work/research/internship) with your classmates

Pizza sponsored by:

The following peer groups will be launched for South Campus majors:

Healthcare
