2. _______ _______

---

*(Mathematics sequenced courses), **(Economics preparation courses): Each are calculated separately and must be completed with a minimum overall 2.5 grade-point average and a grade of “C” or better in each course. Repetition of more than two mathematics sequenced courses or of any mathematics sequenced course more than once results in automatic dismissal from the major. Repetition of more than one economics preparation course or of any economics preparation course more than once results in automatic dismissal from the major.

+ “C–” or better. It is strongly recommended that students take Math 115A as one of their first upper division courses before Math 131A.

Note: This plan is **only** valid for those who declared the major from Fall 2015 to Summer 2016.
